

Remarks:

Claims 50–54 were previously pending with claim 50 being independent. Claims 50–52 and 54 are presently amended, therefore claims 50–54 remain pending with claim 50 being independent.

In the Office Action dated December 31, 2007 (“OA”), claims 50–54 were found to be allowable over the prior art of record. However, claims 50–54 were objected to on the ground that they lack “sufficient clarity.” (OA, page 2). Furthermore, the Examiner objected to the disclosure as having various informalities. The Examiner kindly suggested various amendments to the claims and other portions of the specification. All of the Examiner’s suggestions have been incorporated into the Application by way of the amendments set forth above.

Therefore, claims 50–54 now appear to be in allowable condition and Applicant respectfully requests a Notice of Allowance.

In the event of further questions, the Examiner is urged to call the undersigned. Any additional fee which is due in connection with this amendment should be applied against our Deposit Account No. 19-0522.

Respectfully submitted,
HOVEY WILLIAMS LLP
